

SAVE LONG COPSE LANE

LONG COPSE LANE COULD BE LOST FOREVER

WE NEED YOUR HELP!

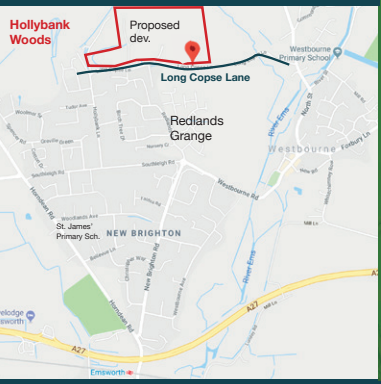

260 HOUSES PROPOSED

Help save Long Copse Lane for everyone

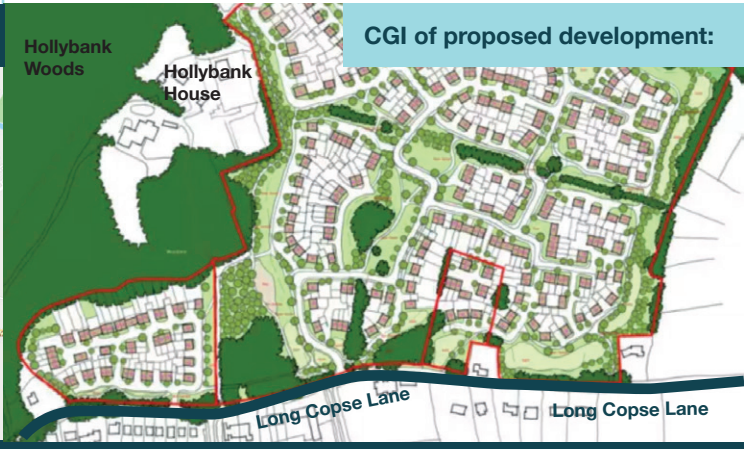

Why we oppose the development:

- Loss of countryside on edge of Hollybank Woods and the National Park
- 500+ extra cars flowing into a narrow rural lane making it unsafe for walkers, cyclist and horses
- Impact on trees and protected species
- Ground stability and drainage
- Increased pressure on local infrastructure including schools and doctors' surgeries.

Location in North Emsworth:

CGI of proposed development:
